3/4 Speed No.4

"Pigeons"

Sometimes
I switch back and
forth between day
and night. One
day when I went
to bed at sunrise,
the pigeons' coos
kept me awake all
the time. I ended
up groggy from
lack of sleep.

But the morning
continued the
next day, and the
day after that.
And finally, I'd
had enough.

WHAT
DO I
DO.

DO HIS
SPEED
AND
POWER
GROW
AS A
RESULT.

CONFIRMED
TO LAST

I worried about it
to my assistants.
"I want to know
which house these
pigeons belong
to?"

But
nobody
really
knows
as pets.

My assistants said
